

# 1000 Mythological Characters Briefly Described: Adapted to Private Schools, High Schools (Classic Reprint)

Excerpt from 1000 Mythological Characters Briefly Described: Adapted to Private Schools, High Schools This Handy Dictionary of Mythology is intended to supply the everyday reader with concise accounts of the gods and goddesses of the ancients in an accessible form. Besides confronting us at every turn in the museums and picture galleries, these deities and heroes are constantly mentioned by poets and portrayed by painters and sculptors, and they are used for the purpose of illustration in the literature of the day. Nothing is more common than to find the comic newspapers resorting to Mythology for subjects for their pictures; and quite recently Punch has given us some delightful cartoons by Tenniel, which, apart from the admirable drawing, are intensely amusing to people who know enough of Mythology to see the drift of the artist. For example, there is a cartoon representing Prometheus, Minos, and Rhadamanthus sitting in judgment on the unlucky electioneering bribers, and underneath is the word Nemesis. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
