

DIY Woodwork: Simple Step-by-Step Guide to Making Fun and Creative DIY Wood Pallet Projects with Illustrations (Woodworking & DIY Household Projects)

Have you seen pallets just lying around at businesses and wondered if you were able to use them for something? Has someone shown you or have you heard about upcycling pallets into furniture and other amazing DIY projects? Are you interested in making your own upcycled pallet project? Then you've found the right book! Upcycling pallets can be something as easy as making a shadow box with four sides and a back, or you can make a pallet coffee table that looks like a professional did it! Pallets are great materials for building sturdy furniture and other household goods because they're made with hardwood and treated in a non-chemical fashion to avoid bug infestations. In this book you'll learn:

- How to find a pallet that's safe and usable for your project.
- How to make a planter.
- How to make a table.
- How to make a coffee table.
- How to make a strawberry planter.
- How to make a coat rack.
- How to make a vintage ice chest.
- How to make a bench.
- How to make a shadow box.
- How to make a gun rack.
- How to make a wine rack.

And much more! So scroll up today and grab your copy of this eBook about how to make a pallet into something for your dream home!
