

2009 Guide To Literary Agents

Now, more than ever, in a market glutted with aspiring writers and a shrinking number of publishing houses, writers need someone familiar with the publishing scene to shepherd their manuscript to the right person. Completely updated annually, Guide to Literary Agents provides names and specialties for more than 800 individual agents around the United States and the world. The 2009 edition includes more than 85 pages of original articles on everything you need to know including how to submit to agents, how to avoid scams and what an agent can do for their clients.
