

## Electricians Pocket Manual (Pocket References (McGraw-Hill))

Complete, compact and featuring formulas, tables, and diagrams in place of lengthy text descriptions, this handy reference delivers job-essential information in a quick look-up format. The new Second edition has been updated to include the 2005 National Electrical Code, new symbols for electrical drafting now being used in CAD drafting, additional coverage of co-axial cable in home wiring, and more on electric motors and controls.
