

## 501 Grammar &amp; Writing Questions

This useful book is designed for anyone who needs to improve grammar and writing skills, whether at school or on the job. Divided into six sections, the book covers capitalization, punctuation, basic grammar, sentence structure, paragraph development, and essay writing. Arranged in multiple-choice format - as is commonly found on standardized tests - the questions begin with easy warm-ups and gradually become more difficult as readers become more confident in their abilities. In addition, full explanations are given for every question, allowing readers to study at their own pace.
