

Gangsta Rap (Teens Top 10 (Awards))

School, what school? My name is X-Ray-X
So be careful how you flex I used to
freestyle in me bedroom But me daddy got
me vex The teacher kicked me out of the
classroom Now Im rapping in The Rex. Ray
has trouble at home and trouble at school.
Its the last straw for everyone when Ray
and his friends Prem and Tyrone are
permanently suspended. But they know
what they want, more than most, perhaps.
Their headmaster decides to give them a
second chance, a chance to live their dream
of forming a rap group. Through a
specialized social program, the boys are
taught the business of the music industry,
what it takes to record an album, and how
to lay down a track. Within weeks they
have become the Positive Negatives, and
within a few months they have signed a
record deal and are on their way to the top.
But their dream soon becomes a nightmare
as violence escalates around them.
Suddenly, not only their careers but their
very lives are at stake. The Positive
Negatives are determined to prove that you
dont need to be a gangster to be a great
rapper.
