

Time on Ice: A Winter Voyage to Antarctica

Nonfiction narrative of a couples two-year voyage from Sweden to Antarctica aboard their 40-foot sailboat, during which they allow themselves to be frozen into an isolated Antarctic Peninsula anchorage where they stay through the winter for a total of one year. An ambitious expedition carried out with thorough planning and superb seamanship. The sights, sounds, and thoughts of bluewater voyaging and an Antarctic winter conveyed through easy-flowing text and first-class photos.
