

Contemporary European Architects: Vol. 4 (Big) (German Edition)

This volume features projects which have recently been completed or are still under construction. The introductory essay describes the movements and currents identifiable in the present broad spectrum of architectural innovation. The book also features biographies of the architects with details of their careers and awards and an overview of their projects. The architects and projects presented include: Alsop & Stormers Regional Government Headquarters in France; Paul Andreu and Jean-Marie Duthilleuls Roissy TV Station, France; Gunter Behnischs Plenary Complex of the German Bundestag; Rem Koolhaass Dutch House, The Netherlands; and Alvaro Sizas Galician Center for Contemporary Art in Spain.
