

The Fishermens Guide to Live Bait

If every time you go fishing, your last stop on the way home is to the supermarket to pick-up the catch of the day (and beer), then this book is for you! By the end of this book you'll know just what bait to use, how to use it and what kind of fish to catch with it! You'll also know how to catch, keep and raise your own bait anytime you want to. You'll be angling like a pro in no time and have the catch to prove it! Whether you fish in freshwater, saltwater, summer or winter, we've got you covered! Become a fishing bait officianado, order your copy today!
