

The Four Dorothys (Drama!)

Every performance needs a little scandal and . . . DRAMA! Spawned from Hollywoods A-list glitterati, nearly every student at the exclusive Orion Academy is a singer, dancer, model, or actor -- with the ego to match. So how do you fit so many budding stars into one school musical? Multi-cast, of course. Its a Wizard of Oz like no other: four Dorothys, two Scarecrows, two Glindas, et cetera, et cetera. Every star gets a moment in the spotlight. Meanwhile, Bryan Stark, narrator extraordinaire, needs to shed some light on a more scandalous plot. Dorothys are mysteriously dropping out of the show, one after the other. If Bryan doesnt figure out why, there may be no one left to click her heels by opening night. . . .
