Its 1952 and in this small prairie town not too many white kids have an Indian for their best friend. Will tries not to care what the townsfolk think. No matter what anyone says, Arthurs been like a brother to him. So when they witness a young Indian being hunted down like an animal by Old Man Howe, the towns richest man, they set out to find the facts -- only to uncover dirty dealings that hide generations of disgrace in the Howe family.
