

## Across the Floor (Orca Limelights)

Luc Waldon always figured he knew what his passion was: football. He lives it, he breathes it and he thinks he has what it takes to go all the way to the NFL. So when his football coach orders him to sign up for contemporary-dance classes to improve his game, Luc's less than thrilled. When he realizes that dance might actually be his true passion, he faces a tough decision. Is he willing to leave behind the field and a real shot at professional sports, and disappoint his parents, his coach and his teammates, in order to pursue a new dream?
