

## All-Action Classics No. 3: The Odyssey

Welcome the next entry in the fabulously received and brilliantly created ALL-ACTION CLASSICS series. The brainchild of former Marvel Comics artist Ben Caldwell, these graphic novels are the freshest, coolest approach to the classics ever. Each one takes a famous work of fiction and translates it into a kid-friendly comic book narrative with full-color illustrations and a fast-paced tone that will have even reluctant readers flying through. Shipwrecks, angry gods, magical lands, beautiful nymphs, and siren songs: this vivid retelling of Homer's legendary Greek epic follows Odysseus on his long, arduous journey home from Ithaca after the fall of Troy. Done in comic-book style, it features the highest-energy kid-grabbing details and plot twists, all dramatized in brilliant, action-packed images. It's the perfect way to introduce kids and fans of graphic novels to one of literature's great works.
