

Unite (Project Integrate Book 1)

United They Stand. Seventeen years ago an entire generation of aliens were sent to Earth in order to save their home planet and integrate into the human population. Now, those aliens are being hunted. Amery Jones is your typical teenager, except for the fact she is an alien and a member of the governments secret Project Integrate. When Amerys best friend Lola is kidnapped in order to get to her, there is only one person that can help - the exceedingly annoying and charming Lochie Mercury. Together, Amery and Lochie must put aside their differences and attraction in order to rescue Lola before its too late.
