

## Windows 7 Digital Classroom, (Book and Video Training)

Bring the classroom to your home with this training DVD and full-color instructional book! Windows 7 is the much-anticipated new operating system from Microsoft and is packed with new features and capabilities. With this book-and-DVD combination, you can learn essential skills and explore all the exciting new possibilities that Windows 7 has to offer. Fifteen self-paced lessons allow you to move at a speed that is comfortable for your learning style. Step-by-step instructions, lesson files, and video tutorials complement each topic covered. You'll investigate the new interface and functionality and learn how to customize settings, work with Internet Explorer, and maintain and troubleshoot issues. Packed with helpful information, this book encourages you to confidently get the most out of the new features of Windows 7. Serves as your own personal instructor, providing you with a valuable DVD-and-book combination that takes you from the basics through intermediate-level topics. Allows you to learn the exciting new features of Windows 7 at your own pace, with video tutorials that complement the topics covered in the book. Demonstrates how to customize settings, work with Internet Explorer, and maintain and troubleshoot issues. Encourages you to get the most out of everything Windows 7 has to offer. Windows 7 Digital Classroom is like having your own personal instructor guiding you through each lesson, while you work at your own pace.
