

Left Behind Book Two: Brave New Planet (Left Behind Trilogy) (Volume 2)

...an exciting read, which carries the Left Behind tale forward at the same breakneck speed as Book One and whets the readers appetite for the final book in the trilogy. - Casey Dorman, editor of the Lost Coast Review. After learning the truth about their home planet in The Forbidden Voyage, thirteen year old Endirion and Harlo find themselves on the run and blasting through space in a stolen ship. Theyve escaped the marshals who were close on their tail only to find themselves hurtling toward a whole new world, a Brave New Planet! and a brand new adventure complete with new friends, disguises, a high speed chase, a heroic pitbull named Daisy, and much, much more.
