

Insurmountable: Against Insurmountable Odds One Girls Faith Finds Hope

Insurmountable is the story of one girls daily struggle against favoritism at home, bullying at school and the cruel challenges of this life. Only her strong faith in a loving God, and a commitment to her own core values, helped her to withstand the influence of drugs, alcohol and promiscuity. She stood alone, as one by one her friends and family surrendered and subsequently fell prey to the consequences. Find yourself caught up in Mariahs life as she perseveres to overcome the pressures and pain of her adolescence, but smile with contentment as you close the book on a successful young woman. Anna Colar shows us through her emotionally charged and passionate storytelling what joy comes from overcoming lifes obstacles. Insurmountable gives hope to those who find themselves in Mariahs situation. Good does overcome the evils of this life.
