

Mind-Bending Puzzles & Fascinating Facts: A Compendium for All Ages

Paul Williams personal collection of interesting facts, puzzles and conundrums will fascinate all ages. It is divided into five sections according to the readers likely ease or familiarity with the concepts and processes involved-from Easy through Moderate and Tricky to Difficult and Fiendish. Some brainteasers involve maths, while some relate to language; others are simply curiosities. Children will enjoy the Easy section, while the Fiendish section presents a challenge to the readers knowledge of mathematics and philosophy.
