

Ancient Chinese Daily Life (Spotlight on the Rise and Fall of Ancient Civilizations)

This informative volume illuminates for readers the basics of the lives of the ancient Chinese, from the clothes they wore, their hairstyles, and the food they farmed, hunted, and made throughout the various dynasties. From the larger societal social structure to the more simplified family structure within the home, readers will gain an understanding of how the cultures rituals, such as those around tea, rice, religion, and clothing, set the tone for the peoples everyday lives.
