

Andre Kertesz (Spezial Fotografie)

Working in a variety of modes, from portraits to still-lives, from nude distortions to photo-reportage, Andre Kertesz consistently captured the moment and expressive details of his subjects. His enduring influence affected world photography, particularly in France, where he was a mentor to photographers such as Henri Cartier-Bresson, Robert Capa and Brassai. With his career spanning 70 years, Andre Kertesz was arguably one of the greatest masters of 20th-century photography. This volume presents his work.
