

# Angel Visions: True Stories of People Who Have Seen Angels, and How You Can See Angels, Too!

Many people have seen angels, apparitions of deceased loved ones, and ascended masters, as you'll read in this ground-breaking new collection of true stories. In ANGELS VISIONS there are beautiful descriptions of what people saw and the vital messages imparted by these angels. There are also stories about people who received life-saving messages from deceased loved ones, helpful strangers who appeared from nowhere during a crisis, and the latest scientific research on the subject.
