

AP French: Preparing for the Language Examination

This edition contains 220 pages of exercises developed to meet the general objectives of an advanced French language course, as well as to help students prepare for the Educational Testing Services Advanced Placement French Language Examination, including the latest changes in the speaking section. Nine units cover specific skills in four basic areas emphasized by the AP course--listening, speaking, reading, and writing. Although this text is geared primarily to the AP course, this is a fine complementary text for any advanced course in French. Audio contain the listening sections that accompany the student book of AP French: Preparing for the Language Examination 2/e and is available on CD or Cassettes. Not compatible with the First Edition.
