

Pretty Little Liars: Be My Sweetheart (Kindle Worlds Short Story)

With Rosewood High's Sweetheart Dance fast approaching, the pretty little liars are all aflutter. Dates must be lined up; smashing, scene-stealing dresses purchased. Aria's tryst with Ezra was meant to be the beginning of something special. Obviously Ezra didn't get the memo, because as soon as he discovers Aria is his student, teachers' hearts and feet suddenly turn freezing cold. Aria is crushed until handsome, easy-smiling Zach Taylor strolls into her life. Aside from auditioning and figuring out dates for the Sweetheart Dance, Aria, Spencer, Emily, and Hanna have one more little problem with which to deal: Rosewood police suspect that one of them might be the cold-blooded murderer of former friend and tormentor, Alison DiLaurentis. They were last seen together at a sleepover, in fact. The girls say they aren't killers. But everybody in Rosewood knows them to be pretty little liars. Who will be the belle of Rosewood High's ball? And will she be handcuffed as well as crowned?
