

Arabella (Guardians Book 1)

After twenty-something years living as a weapon for Bilson Corporations, I decided that I wanted something else for my life something more. I wanted more. But at what cost? I wanted to belong to the world that I had been sworn to protect, to be more than a shadow amongst the night. But my life was not my own to control. I have made plenty of terrible mistakes in my life, but with each mistake comes a chance to start over, to make things right. And I will see to it that I do just that. My name is Arabella, and I am more than a weapon. ARABELLA is a standalone New Adult novella. It is complete at approximately 17,000 words.
