

The Beacon Best of 2001: Great Writing by Women and Men of All Colors and Cultures (Beacon Best of ... Creative Writing by Women & Men of All Colors)

Continuing its tradition of offering the most stimulating and eclectic collection of short fiction, creative nonfiction, and poetry, The Beacon Best returns this year with the acclaimed writer Junot Diaz as guest editor. The 2001 edition features not only celebrated wordsmiths like Ha Jin, Louise Erdrich, Francisco Goldman, Chang-rae Lee, and Zadie Smith, but also emerging new talents like T. E. Holt and Rhina P. Writes Diaz in his introduction, The freshness and originality and humanity of these writers and their work renewed me. We hope that the Beacon Best of 2001 will delight and challenge you to see the world with new eyes.
