

Back and Forth (Gender Swap Erotica)

I was half a mile from home when I realized I wanted something more than to sit at home going through Susie's old things. I was being given an incredible opportunity and I didn't want to waste it by myself. Last night I'd struck out completely at the bar. When I looked down at the beautiful woman I'd become, I realized that now I'd have a real chance of finding someone special. Jamie has been having a bad run of luck when it comes to women. After a night of striking out at the bar, he decides to visit a fortune teller to raise his spirits. What he gets instead is a shock to everyone. The two sides to Jamie's personality are bound together in an unexpected way. Whenever he or she reaches the height of pleasure, a transformation follows soon after. Now Jamie must live a life on both sides of the fence. Will Jamie find a partner that loves both the man and the woman? This story contains sexually explicit content and is meant for mature audiences. All characters are at least 18 years of age and all sex is consensual. This is a work of fiction and any similarities to real people are coincidental. Any similarities to your own sex life are extremely hot.
