

Cracking the AP English Literature Exam, 2008 Edition (College Test Preparation)

Scoring high on the AP English Literature Exam is very different from earning straight As in school. We don't try to teach you everything there is to know about English literature; only the strategies and information you'll need to get your highest score. In *Cracking the AP English Literature Exam*, we'll teach you how to ace the reading passage questions by using clues in the answer choices; conquer difficult poetry and prose passages by zeroing in on the main ideas; safeguard yourself against hidden traps; score higher by learning essential concepts from the glossary of literary terms. This book includes 2 full-length practice AP English Literature tests. All of our practice questions are just like those you'll see on the actual exam, and we explain how to answer every question. *Cracking the AP English Literature Exam* has been fully updated for the 2008 test.
