

Binarius: Episode II (The Binarius Series Book 2)

The planet is dying. Firinne is being hunted. But there is a rage building inside of her that will not be contained. In the final episode of Binarius, an ancient prophesy of bloodlines is unfolding and a choice must be made a choice that might mean sacrificing Firinnes very existence. The end of The Blacken is near, but sometimes endings are disguised as new beginnings and some endings last forever.
