

Blackstones Police Manual: Road Policing Volume 3 (Blackstones Police Manuals)

Blackstones Police Manuals 2017, endorsed by the College of Policing, are the only official study guides for the NPPF Step Two Legal Examination (formerly OSPRE(R) Part I). Straightforward and accessible, Blackstones Police Manuals are the only resource used by question writers when preparing a NPPF Step Two Legal Examination and each of the four volumes forms part of the only comprehensive version of the 2017 syllabus. Blackstones Police Manual Volume 3: Road Policing 2017 covers areas including Accidents and Collisions, Drink, Drugs and Driving, Insurance, and Classifications and Concepts. For complex or commonly misunderstood areas, there are handy Keynote boxes, which point to relevant case law or provide an example of how material is used in a practical sense, helping you to establish the connections between legislation and police procedure. The 2017 edition has been updated to incorporate all recent legislative developments and case law, including updates under the Road Safety Act 2006, the Smoke-free (Private Vehicles) Regulations 2015, and guidance on hover boards, as well as new case law covering reportable accidents, insurance, and disqualified drivers. Also available in the series are: Volume 1: Crime 2017, Volume 2: Evidence and Procedure 2017, and Volume 4: General Police Duties 2017. Blackstones Police Manuals are also available as part of our online Blackstones Police Manuals and Q&As service: <http://www.blackstonespolice.com>
