

## Blackstones Police Q&A 2007: Four-volume Set

Designed to mirror the best-selling Blackstones Police Manuals, Each Q&A book contains hundreds of multiple-choice questions designed to reinforce knowledge and understanding of all four Police Manuals, and to highlight any gaps or weaknesses in that knowledge. Following subjects in the same sequence as the Manuals and drawing upon the relevant text, the Blackstones Police Q&As 2007 are essential revision material for all police officers sitting the Sergeants Part 1 promotion examinations. The 2007 editions of this popular series contain substantial updates, reflecting changes to the 2007 versions of the Blackstones Police Manuals, and also now contain handy paragraph references to the relevant Manual and a question checklist to mark the answers. Each book in this four volume pack has been revised and update to include new questions on important areas of the law such as the Serious Organised Crime and Police Act 2005 (SOCPA) the revised PACE Codes of Practice, the Gambling Act 2005, the Clean Neighbourhoods and Environment Act 2005, the Drugs Act 2005, the Terrorism Act 2006, and the Racial and Religious Hatred Act 2006. Also covers recent changes to road policing such as standards of driving, causing death of others, control of vehicles, speeding, licensing & obligation of drivers and drunk driving.
