

## Nutrition & You: Core Concepts for Good Health, MyPlate Edition Plus MasteringNutrition with MyDietAnalysis with Pearson eText -- Access Card Package

**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- With a new Consumerism chapter, enhanced art and photos, and timely updates, this Second Edition of Nutrition and You personalizes nutrition helping you make healthy nutrition choices and encouraging you to become an informed consumer of nutrition information. Throughout, each vitamin and mineral are introduced in self-contained spreads, called Visual Summary Tables, that help you learn to identify the key aspects of each nutrient at a glance. You're encouraged to relate the science of nutrition to your own dietary habits, helping you to separate fact from fiction and to distinguish high-quality nutrient sources from those of lesser quality. After reading this book, you'll know to think critically about information sources and the claims made in the popular press and online. The MyPlate Edition features a write-to-fit update so that you

have the latest nutrition information right within your book. New information includes the new MyPlate graphic (which replaces the former MyPyramid), the 2010 Guidelines, and the new Dietary Reference Intakes. Included with Nutrition and You: Core Concepts For Good Health, MasteringHealth is an online homework, tutorial, and assessment product designed to improve results by helping students quickly master concepts. Students benefit from self-paced tutorials that feature immediate wrong-answer feedback and hints that emulate the office-hour experience to help keep students on track and prepared for lecture. 0321982711 / 9780321982711 Nutrition & You: Core Concepts for Good Health, MyPlate Edition Plus MasteringNutrition with MyDietAnalysis with Pearson eText -- Access Card Package Package consists of: 0321897234 / 9780321897237 Nutrition & You: Core Concepts for Good Health, MyPlate Edition 0321951417 / 9780321951410 MasteringNutrition with MyDietAnalysis with Pearson eText -- ValuePack Access Card -- for Nutrition & You: Core Concepts for Good Health, MyPlate Edition
