

Blood, Milk & Chocolate - Part 2 (The Grimm Diaries Book 4)

The greatest trick the devil ever pulled will be revealed... Camilla Karnsteins journey through the Seven Seas, trying to find the Tower of Tales and meet Lady Shallot so she can help her and Angel to escape from Night Von Sorrows wrath. Lady Shallot finds them an island on the back of whale. They call it Sorrow and begin a journey of most heart wrenching secrets. What and where Sorrow really is. Who the Lost Seven are. And most of all who Carmilla and her new born daughter really are. In the fourth installments of this epic tale, nothing is like it seems, some of the favorite character dies, and the thin line between good and evil blurs even more.
