

Bodybuilding by the numbers

Build your body faster you ever thought possible! Blast beyond sticking points and any genetic limitation you thought you had. Bodybuilding by the numbers is the first breakthrough in bodybuilding augmentation in over 50 years! This detailed body of work has a new method of training that took over 36 years of training to develop. Burn fat faster and better than any cardiovascular exercise and eat with more freedom than ever! You will not have any problems as with other training methods. No more ruptured, torn tendons or ligaments, and arthritic conditions will be alleviated along with these other problems due to injuries or age. Bodybuilding by the numbers, is a truly unique fresh approach to the amazing sport of bodybuilding. Also included is a well researched Ultimate protein drink recipe formulated by the author, that will rival any you could purchase in health food stores! Plus, new supplement information not found anywhere else. Get that super-hero type physique in record time with -Bodybuilding by the numbers!
