

## Quintana of Charyn: The Lumatere Chronicles

The climactic conclusion of Printz Award winner Melina Marchetta's epic fantasy trilogy! Separated from the girl he loves and has sworn to protect, Froi and his companions travel through Charyn searching for Quintana and building an army that will secure her unborn child's right to rule. While in the valley between two kingdoms, Quintana of Charyn and Isaboe of Lumatere come face-to-face in a showdown that will result in heartbreak for one and power for the other. The complex tangle of bloodlines, politics, and love introduced in *Finnikin of the Rock* and *Froi of the Exiles* coalesce into an engrossing climax in this final volume.
