

The Government and Politics of the European Union, 7th Edition

This is a systematically updated and entirely redesigned new edition of the leading text on the European Union providing up-to-date, detailed and authoritative coverage of the main institutions, policies and policy processes all set in historical context. The seventh edition is fully updated to take account of the Lisbon Treaty and is packed with new pedagogical features, maps, charts and textboxes in a new larger two-colour and accompanied by an all-new companion website featuring update material, test questions, information on member states and PowerPoint slides for lecturers.
