

SHTF Preparedness BOX SET 2 IN 1: What You Really Need on Hand to Get Out Alive + Off The Grid Survival Guide On How To Survive And Protect Your ... Grid - Preppers Survival Guide) (Volume 1)

SHTF Preparedness BOX SET 2 IN 1: What You Really Need on Hand to Get Out Alive + Off The Grid Survival Guide On How To Survive And Protect Your Family BOOK #1: The SHTF Stockpile Survival Guide. What You Really Need on Hand to Get Out Alive We've all wondered about it. What happens in the worst case scenario? How prepared am I for the impending zombie outbreak? Or if a natural disaster strikes? Would I get out alive? The answer to that is largely based off of what equipment you have on hand. If you don't have the right tools for the job-- whatever that job may be-- you're just plainly not going to be able to be able to accomplish what you need to get done. Plain and simple. Yes. Improvisation plays a part-- and this book will teach you just how far improvisation can go; but at some point you're going to have to ask... BOOK #2: Water, Gas and Electricity Systems Collapse. This Preppers Urban Survival Guide has been developed to protect you and your family from terrifying consequences of possible water, gas and electricity systems collapse. Written in a lucid literary style the book provides a clear-cut idea and practical advices of what to do in order to survive after the catastrophe. After reading the book, you will be able to overcome any difficulties and hardships, which can arise after communal power and heating utilities collapse. More than that, following the tips presented in the book you will become deeply versed in development of your everyday life under condition of lack of availability of resources.
