This 20th anniversary edition of Thich Nhat Hanhs classic commentary offers new insights into one of the Buddhas most important teachings. According to the Anapanasati Sutra, maintaining awareness of our breathing is a means of awakening to the true nature of all things and arriving at spiritual liberation. Breathe, You Are Alive! outlines the Buddhas exercises of conscious breathing along with commentaries and further exercises for daily life. Thich Nhat Hanh gently walks the reader through a progression of exercises that focus on the physical, mental, and spiritual planes. This new edition includes Thich Nhat Hanhs most recent commentaries To find more titles in your Large Print or Super Large Print format, Search in Books using EasyRead and the size of the font that makes reading easier and more enjoyable for you.
