

## The Tulip Touch (Collins Drama)

A stunning adaptation for schools by the Childrens Laureate Anne Fine, of her much-loved childrens novel. Why is Tulip always in trouble? And why does Natalie find Tulips dangerous games so fascinating. A powerful story about troubled teenagers and their relationship to the adult world. The Tulip Touch is suitable for class work, drama lessons and school productions. The resource material includes advice on staging the play, ideas for improvisation arising from the script, poems and extracts from fictional and non-fictional writing. The issues of parenthood, families, growing up and peer pressure are explored through drama, discussion and written work.
