

Falling for Hamlet

Meet Ophelia: a blonde, beautiful high-school senior and long-time girlfriend of Prince Hamlet of Denmark. Her life is dominated not only by her boyfriends fame and his overbearing family, but also by the paparazzi who hound them wherever they go. As the devastatingly handsome Hamlet spirals into madness after the mysterious death of his father, the King, Ophelia rides out his crazy roller coaster life, and lives to tell about it. In live television interviews, of course. Passion, romance, drama, humor, and tragedy intertwine in this compulsively readable debut novel, told by a strong-willed, modern-day Ophelia.
