

Getting to Third Date (The Romantic Comedies)

Could a forgotten cutie be Katelyn's newest catch? Katelyn Spears is a firm believer in the two-date rule. First dates are so awkward; every guy deserves a second chance. But a third? Not unless he's got serious Romeo potential. Enter Tyler. Tyler thinks Katelyn's rule is too harsh. He dares her to go back through her Little Pink Book and grant a third date to all the two-date duds. Oh, and she should report back to the whole school via her newspaper column. Standing by her policy (and determined to prove Tyler wrong), Katelyn makes a few phone calls. But will any of her old flames rekindle a romance?
