

## My Life From Hell (The Blooming Goddess Trilogy) (Volume 3)

Save herself; save the world. Humanity may be screwed. To say that Sophie Bloom is at the top of her game with one only week until Spring Equinox and the final showdown with Zeus and Hades would be, well, lying. The Goddess of Spring feels more like the Goddess of Bzzz, Thanks For Playing than the savior of humanity. And could her relationships be any more messed up? Good times. Sophie is convinced that things can't get any worse than crawling back to her mother Demeter and begging for help. But she's about to find out how very wrong she is. It's a race against time for Sophie to implement the big battle strategy in the YA romantic comedy/Greek mythology finale *My Life From Hell*. A perfect read for everyone who loves sassy girls who kick butt and the bad boys that infuriate them.
