

Or Give Me Death: A Novel of Patrick Henrys Family (Great Episodes)

Patrick Henry, the famous statesman, has a secret: He keeps his wife in the cellar. Slowly losing her mind, Sarah Henry has become a danger to herself and her children. But daughter Anne has a secret of her own: She knows which child will inherit their mothers madness. Told from the point of view of the Henry children, this compassionate tale explores the possibility that Patrick Henrys immortal cry of Give me liberty, or give me death, which roused a nation to arms, was first spoken by his wife as she pleaded for her own freedom. Includes a readers guide.
