

## Carp on the Fly: A Flyfishing Guide

Discover the secrets of flyfishing for carp learn the habits and habitats of these challenging fish, what flies they'll take, and how to put those flies in the right place at the right time to catch carp consistently. Barry Reynolds and John Berryman, authors of *Pike on the Fly* and *Beyond Trout*, have joined with Brad Befus to challenge you to take advantage of what is certainly the last, great, overlooked flyfishing resource in North America. Put aside your preconceptions, read *Carp on the Fly* with an open mind, and you'll soon be flyfishing for big, strong, smart fish in water just minutes from your home.
