

The American encyclopaedic dictionary Volume 11; a work of reference to the English language defining over 250,000 words Containing over one hundred ... and nearly four thousand illustrations

This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1897 Excerpt: ...so-called Ds. which we will not describe here, but none of them are sufficiently perfect to follow a Btar with any accuracy for so much, as an hour unless they have some supplementary control from some good clock, which will keep them running from hour to hour with itself. In fact, the name of D. is misleading, for the apparatus is in no sense a clock, but is only a kind of motive mechanism with a fairly good governor to control its speed. It is not sufficiently constant in speed to be considered a clock, and it is not used in any way to indicate time like a clock. It should, however, give a smooth and even motion to the axis oftho telescope. Drone, the name given especially to the male of the honeybee, because of the fact that it gathers no honey. Druids, Order of, secret societies springing from a club organized in London 1781, solely for the entertainment of it members. The popularity of the club soon led to the formation of others, and in time they were constituted a distinct order and provided with a ritual for initiations and a form of government founded upon traditions said to have been preserved from the ancient Druids. With the extension of the order many benevolent features were instituted. Differences of opinion among prominent members resulted in the division of the original order into several independent bodies. These are now reduced to two, the Ancient Order of Druids and the Order of Druids of Eug land, to which all the groves in Great Britain aro subordinate. A grove chartered by the latter supremo body was instituted in New York 1838, and was the parent of the order in the U. S. The order rapidly extended through the country, and from the past officers a supreme body was organized
