

Charmed

I loved CHARMED . . . I couldn't turn the pages fast enough! raves Amy Tintera, author of Reboot, of the sequel to HEXED. Indie has spent the last few weeks frantically searching for Paige. She's tried every spell imaginable, but witchcraft has gotten her nowhere, and she's going crazy with guilt. Despite what her warlock boyfriend, Bishop, tells her, Indie knows it's her fault her best friend was kidnapped by the Priory. And with the Priory destroyed, finding Paige feels more hopeless than ever—especially when Indie discovers that Paige isn't even on Earth. She's trapped in Los Demonios, an alternate dimension of Los Angeles filled with evil paranormals. No one who has gone there has ever come out. Fueled by terror and loyalty, Indie is desperate to find a way into the underworld prison. She'll worry about getting out later. But facing the dark world's most dangerous witches and warlocks on her own means keeping her plan hush-hush—forging alliances with some sketchy people, including a seriously sexy sorcerer. Sometimes a witch must keep secrets from the people she cares about most. And sometimes she isn't the only one with secrets. . . . CHARMED left me spellbound! Amy Plum, author of the internationally bestselling Die for Me series Well worth picking up, as it stands out from the pack of modern fantasy with a meaty backstory and dark humor.--Booklist Snappy dialogue, a satisfyingly epic battle, and unexpected heroes make for a conclusion that will satisfy.
