

## Chasing the Skip (Christy Ottaviano Books)

Rickis dad has never been there for her. Hes a bounty hunter who spends his time chasing parole evaders?also known as skips?all over the country. But now since Rickis mom ran off, Ricki finds herself an unwilling passenger in a front-row seat to her fathers dangerous lifestyle.

Rickis feelings get even more confused when her dad starts chasing seventeen-year-old Ian Burnham. She finds herself unavoidably attracted to the dark-eyed felon who seems eager to get acquainted. But Ricki thinks shes ever in control?the perfect manipulator. Little does she know that Ian isnt playing their game by her rules.
