

Heinemann Dictionary Resource File (Heinemann English Dictionary)

This resource file contains over 100 photocopiable worksheets to help pupils improve their spelling, vocabulary, grammar and dictionary skills. In addition, each section contains activities at different ability levels so that worksheets can be easily found to match individual pupils needs. The section on understanding the Heinemann English Dictionary builds basic dictionary skills so pupils can take full advantage of the features offered in the resource. The section on grammar introduces grammatical terms and encourages an understanding of how language works. The part on spelling skills offers a range of games and activities all based around the improvement of spelling. There is also a section on vocabulary building, offering alternative word meanings, to help pupils develop an extensive vocabulary.
