

Chicago (Hoop City)

When Serge is recruited from the Sudan to come play basketball at a high profile prep school in Chicago, there are bigger obstacles than culture shock to contend with. His teammates are skeptical of his skills and do not fully bring him into their circle. Plus, the thoughts of Serges father and older brother being killed by rebels back in the Sudan, consume him. Will Serge be able to put his past behind him and make something of his life in America through basketball? Hoop City is a six-book series EPIC Press.
