

Clams All Year: Des palourdes toute l'année : Babl Childrens Books in French and English (French Edition)

Clams All Year / Des palourdes toute l'année Babl Childrens Books in French and English A large extended family is enjoying their summer vacation in New England, and Grandpa has been getting everyone up at five in the morning to dig for clams. They haven't found many yet, but their luck is about to change. The morning after a big storm, they discover a bumper crop of clams on the deserted beach! The rest of the day is spent collecting and cleaning the clams, and their reward at the end of the day is sitting down to a huge dinner of clam chowder, stuffed baked clams, and spaghetti with clam sauce! As you and your child join Grandpa and the gang in their clam-digging adventures, you will discover the importance of family and how food brings people together, all while learning a new language! Reviews ...this simply told tale of a close-knit family has a timeless, understated warmth. - Publishers Weekly A fine choice to share with children anticipating summer vacations, or for reliving them on cold winter days. - School Library Journal A story that will make readers feel good all over, both the words and the bouncy, attractive paintings reflecting the exhilarating feeling of finding treasure (even clams!) and the warmth of family gatherings when everyone looks back on a shared experience. - Booklist About Babl Books Babl Books partners with award-winning authors to bring your favorite books to a variety of new languages for children all over the world to enjoy.
