

Chords and Scales for Guitarists

(Music Sales America). Here at last is a book that tackles these two vital areas in simple, no-nonsense terms. With over 400 diagrams and a comprehensive audio CD, bestselling guitar author David Mead teaches you how to construct chords and scales from the ground up, how to recognize important chord and scale families and how to organize your fretboard using the CAGED concept. With a chapter on improvisation providing vital tips on soloing over chord changes, this book is all you need to make your guitar solos sound more musical and develop all the instincts of a fully rounded musician.
